The Kids Club Team

The background of the image is a Halloween-themed scene. It features a dark, arched interior, possibly a cathedral or a large hall, with several pumpkins hanging from the ceiling. In the foreground, there is a large, dense crowd of people, many of whom are wearing costumes. The lighting is dim and atmospheric, with some light sources visible on the left side, creating a spooky and festive mood.

Dear Parents/Guardians,

We have a large volume of children attending the Crazy Cats kids club who sign in and out throughout the daytime and evening activities. Your child's safety is of paramount importance to our team as they stay with us. In order for us to keep careful and constant attention in regards to your child's wellbeing and enjoyment throughout the entirety of the kids club, we cannot accommodate for parents to remain in the Kids Club area beyond signing in and out of club. This is particularly important during the Halloween discos and entertainment as this is often our busiest time. If you wish to collect your child or if your child is looking to leave the Kids Club, we will contact you immediately. Please note that children under 4 years are welcome to join the Kids Club for High Tea only. however
